

Luna de Ana Rosado

Tasting note

Vivid pink colour. Aromas of fresh strawberries and raspberries. Smooth and soft on the palate with fresh fruit tones. Pleasant and long aftertaste.

Serving temperature

Recommended serving temperature between 6 - 8°C.

Gastronomy

Delicious wine as an aperitif and goes well with BBQ, salads, chicken and rice dishes.

Vinification

Grapes are selected from own vineyards. Before fermentation begins, the grapes are sealed at a low temperature and left in the grape must, then the clearing is followed by normal fermentation at a controlled temperature.

Surrounding area

The Denomination of Origin (D.O.) Castilla La Mancha, located in central Spain, is a vast Old World wine area with an exciting new story. A story of quality wines with unique characters. Winters are bitter cold and summers blazing hot, the sun shines 12-14 hours a day. Vines are more spaced than usual, to permit each plant its share of the small amount of water that falls. The challenging climate brings an important advantage, hardly any vineyard pests or diseases can survive, allowing grapes to grow ecologically and disease-free. Castilla La Mancha is the largest wine area of whole Europe (450.000ha).
